## Dear Readers,

Apologies to all parents inconvenienced earlier this week when a burst water main meant we had to send children home. Thank goodness the issue was solved so quickly and everyone was back in the very next day! Mrs Cunningham was most impressed with how speedily parents were able to collect their children—and we were particularly pleased with the success of our text messaging system.

We have all been enjoying the sunny weather this week—including our Nursery children who have settled in nicely.

## Parent Consultation Evening

This will take place next Wednesday—the 15th March.

This meeting is a chance to discuss your child's progress, their areas for development and next steps, any specific needs your child may have, plus any additional support your child may be receiving and ways in which you could further support your child at home.

**If you have not yet had the chance to make an appointment, please contact the school office.**

**Regards, Claire Davies Executive Headteacher**

### Class 1 Spring Walk

Our Nursery, Reception and Year 1 children enjoyed a lovely walk around the village yesterday afternoon in the sunshine, looking and listening for signs of new life.

As you can see from their photos, they managed to find lots to interest them. Unfortunately, there were no signs of any lambs—much to Mrs Roberts' disappointment!

### ATTENDANCE

We will keep you informed of your child's attendance percentage at the end of every half term. Our target for every child and every class is 95% or over. Please make sure your child is in every day unless they are genuinely ill. Thank you. The attendance percentages for the last five days are:-

Reception	97%
Year 1	98%
Year 2	100%
Year 3	97%
Year 4/5	89%

Congratulations Year 2 on 100% attendance!

### Are you thinking of selling your house?

If so, you may want the assistance of one of our budding Class 3 Estate Agents!
